## TAKE THE LEAD WITH TJM.

At TJM, we understand the importance of being prepared: prepared for the adventure you're searching for and prepared for the unexpected bumps along the way. That's why we design, test and manufacture products to help you get 4x4 equipped to take on the most challenging off-road conditions imaginable. So, what are you waiting for? It's time to Take The Lead with TJM.

TAKE  
THE  
LEAD.

## READY FOR ACCESSORIES.

TJM bull bars provide a strong and stable mounting point for accessories such as driving lights and UHF aerials, while our unique winch frame mount system creates a safe and strong home for your choice of recovery winch.

# TINY BUT MIGHTY.

Built to thrive in extreme Aussie conditions, TJM's accessories range will take your vehicle and bring it to a whole other level!

Learn more about TJM's Accessory range.

*Outback Bull Bar to suit 5 door Suzuki Jimny.*

### **1: TJM Outback Bull Bar**

- Built tough, looks great, and ready for your accessories
- Winch ready, for when you have to get yourself (or a mate) out of a situation. Provisions rated to take up to 8,000lb winch
- Thanks to its bumper replacement design, the TJM Outback bar minimally increases the length of your car, so you'll still be able to park in garages and standard car-parks without trouble
- The TJM Outback bar provides unbeatable protection for your vehicle, your passengers, and you, in the event of an animal strike or similar off-road impact
- ADR compliant and compatible with all vehicle safety features
- We back our bars with a 3 year warranty

### **2: Rock Slider**

- Strong and stylish!
- Chasis mounted and constructed with thick 51mm steel tubing, TJM Rock Sliders are designed to help you navigate the toughest terrain
- Protects the side sill panels and lower doors from damage you may encounter on the track
- Safety comes first! Our rock sliders are ADR compliant
- Finished with a durable and stylish black powder coat
- Backed with a 3 year warranty

### **3: Airtec Snorkel**

- Proudly designed, engineered, and molded in Australia for Australian conditions
- Constructed using high-grade UV-resistant (UV20 UV24) polyethylene - providing max strength, rigidity, and resistance to sun and heat damage (rated to handle beyond 100°C heat from sun and engines). The Aussie sun is no match for these snorkels
- Specifically designed to separate rain or moisture from airstream before it enters your engine and damages it - saving you from costly repair fees

# HANDLE ANYTHING WITH XGS.

A XGS suspension upgrade won't just lift your vehicle, but your 4WD-ing ambitions and capabilities as well.

Learn more about XGS online!

**XGS**  
ROAMER

## Specifications

Piston Bore	30mm
Piston Rod	18mm
Tube wall thickness	2mm
Piston (size)	35-40mm <sup>ø</sup>
Piston Rod (size)	18mm <sup>ø</sup>
Suspension Lift	0-30mm
Construction	Twin
Position Sensitive Damping	×
Nitrogen	✓

### Suspension that's ready for adventure

- Customise your XGS suspension system to suit your 4WD-ing needs
- With an impressive lift-range of 0-30mm, your vehicle will have the ground clearance to navigate and avoid any obstacle you come across
- We've evaluated to ensure that XGS is up to the test. Conducted in Australia by both the manufacturer and independent specialist testing facilities, we rigorously assess the hydraulic durability, spring seat push over & ultimate load of our suspension components
- Reimagined tube design and increased wall thickness improves damping control and heat dissipation, while ensuring external wall damage caused by flying debris doesn't affect shock performance

# GVM PLUS UPGRADE.

### Available kits

 + **1800KG PLUS 365KG\***

Original Equipment (OE)

**XGS GVM Plus Stage 1**

GVM

1435kg

# AND THERE'S SO MUCH MORE...

## ---, CAMERA, ACTION.

Shed some light on your next adventure with our range of lighting solutions. At TJM, we have a huge selection of round driving lights, light bars, work lights or camp lights for all your lighting needs.

## GEAR TO GET YOU OUT OF THERE.

Vehicle recovery is a potential part of most off-road journeys – be prepared for the unexpected with TJM's range of recovery kits, winches, recovery tracks and more.

## WINCH, WINCH. NUDGE, NUDGE.

A TJM Torq Winch is an essential risk-management tool when venturing to exciting off-road destinations. With its superior power for increased line speed and, our 9,500lb and 12,000lb options, we've got the pull to get you where you need to be.

## POWER TO TAKE YOU FURTHER.

Power and communications solutions help you stay on the road (and off the beaten track) safely, more comfortably and for longer. Get equipped at TJM with battery management systems, UHF radios, solar power solutions and more.

## A CAMP-SITE GUARANTEED TO TAKE THE LEAD.

Set up camp at the drop of a hat with TJM's wide range of camping accessories.

Pop up the roof-top tent, pull out a camp chair, and light-up the fire pit. Time to make some memories and get a taste of the great Australian outdoors with TJM.

## BLOW AWAY THE CHASING PACK.

The TJM Pro Series compressor range delivers faster inflation and longer running times thanks to their high flow rates, innovative convection cooling system and 100% Duty Cycle. Painstakingly designed and brilliantly engineered, TJM Pro Series compressors boast unbeatable endurance and performance.

# BACKING ADVENTURE SINCE 1973.

TJM 4x4 Equipped was founded more than half a century ago by three mates with an unshakable desire to explore the outdoors. While much has changed in the years since then, one thing hasn't: our belief in our mission to equip 4x4 owners and off-road explorers with the gear they need to take them further than ever before.

## GET BACK OFF-ROAD AND ON TRACK.

When you are on or off-road, rest assured, no matter how far you roam, you'll be supported by TJM with our nation-wide network of stores in key locations all across Australia.
